“ I knew Raphael when we worked at Burlington Coat factory. Oh the memories I will never forget. He was funny, kind and loved his family very much. He wanted to be a rapper! Brings a smile every time, as he always showed me his new moves and lyrics. Sandra and Felix ( and fam) I will pray for you during this difficult time. God bless you and I'm so very truly sorry.

“ My brother, my best man and best friend. You will truly be missed. I am hurting that your gone, but I know God needed an angel and he chose you. I will remember all the times we had together. You will always be in my heart and best believe I will always tell your fatty fatty that you loved him not just a nephew, but like a son and know he loves you as well.
